Status Letter

1. Applicants' Status Letter filed November 20, 2006 states that:

"More than 31 months have passed since the filing of this application on April 1, 2004.

No further communication has been received from the Patent and Trademark Office."

While the first sentence is true, the second is clearly erroneous inasmuch as Applicants received an office action on the merits that was mailed November 22, 2005, and they filed a response to that action on February 23, 2006.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Russell D. Stormer whose telephone number is (571) 272-6687. The examiner can normally be reached on Monday through Friday, 9 AM to 4 PM.
